

DISTINGUISHED CLIMATE SPEAKER SERIES

DR. MICHAEL E. MANN

From Prediction to Reality: How Climate Science
Warned Us, and What Comes Next

**Monday, November 17th, 2025
at 2:00 - 4:00 PM**

**Dr. Vikram and Priya Lakireddy
Grand Ballroom**

SNRI presents renowned climate scientist Dr. Michael Mann, who will discuss his groundbreaking climate research, the challenges facing our communities, and actionable solutions for a sustainable future.

The event will feature a presentation by UC Merced climate scientist, Dr. John Abatzaglou followed by a Q & A session with both speakers.

**Open to the public.
