

DoubleLand

Movable Solar for Agricultural Land
Produce. Protect. Profit.

Rural Energy Systems Workshop

Greg Rosen, Founder & CEO
December 9, 2025

DoubleLand's products are protected under U.S. Patent No. 12,218,623, and additional patents are pending

Topics

- Value Optimization Based on Requirements
- DoubleLand's Approach

DoubleLand

The wagon (small prototype version)

DoubleLand

Disconnect the electrical wires

DoubleLand

Put the rails in place

DoubleLand
DoubleLand

Attach the wranglers

DoubleLand

Lift the wagon

DoubleLand
DoubledLand

Roll the wagon

DoubleLand
DoubleLand

Secure and reconnect the wagon

DoubleLand

Best Market Fit

- Rotational grazing for poultry and cattle
- Double cropping & crop rotations
- Regenerative farming
- Sites with limited water
- For farmers that want to farm in full sun
- Sites stymied by zoning board regulations

DoubleLand

Thanks!
